

Volunteer Opportunities!

TechStart Education Foundation and the Oregon University System will be presenting the first annual high school game programming competition: the Oregon Game Project Challenge 1.0

Saturday, May 17th
8AM - 3PM

Chemeketa
Community College
Salem, Oregon

Judges

- Participate in a panel that will be evaluating the teams and their games across several categories including Game Design, Programming, Teamwork, Game Experience, and Presentation.
- Needed for about 6-7 hours for the tournament from approximately 8am - 3pm.
- We will be holding a judge training session in early May that will last about 1 hour that judges can attend in person or via teleconference.
- No specific expertise is necessary
- **Register by sending name and e-mail address to Chris Brooks (brooksci@computer.org)**

Other Key Volunteer Positions:

- Judge Queuers—act as time-keepers, making sure that judging stays on schedule.
- Registration Manager & Clerks—greet teams and orient them to the tournament.
- Arcade Managers & Assistants—make sure teams observe arcade rules.
- Scorekeeper—coordinate with judges and other volunteers to produce a team score.
- Technical Presenters—Do you have a technical skill/expertise you would like to share with students?
- Emcee—Preside over the awards ceremony and make announcements at the tournament..
- **Register by sending your name and e-mail address to John Ossowski (john.ossowski@techstart.org)**
