Greetings FLL Teams:

We're happy to report we have **over 6,200** FLL teams currently registered in the U.S. and Canada for the Power Puzzle Challenge! FLL Team registration will close when all slots are filled or at 4:00 PM (EDT) on September 28, whichever comes first. Please note that FLL Materials (Robot Set and Field Setup Kit) must be ordered by this deadline, but are also subject to product availability.

**Keep Your Team Profile Updated**

To ensure receipt of important FLL communications, remember to review and update your team profile prior to October 12. Go to <http://register4fll.com/>. In the TEAM LOGIN fields, enter Team ID (team number) and password. When your profile is complete, be sure to click the "Continue" button at the bottom of the page and follow the instructions.

**Tournament Application Process**

A complete listing of confirmed Championship tournament sites will be posted on the FLL international website ([firstlegoleague.org](http://firstlegoleague.org)) by September 28. October 1 –12 (process opens at 12:00 p.m. EDT), teams apply either online or directly with the tournament organizer for most Championship tournaments. Please visit <http://www.firstlegoleague.org/default.aspx?pid=2300> for additional information and instructions on how to sign up for a tournament near you.

*(PLEASE NOTE: In Oregon, ORTOP will send an email on Oct 1<sup>st</sup> to every registered coach in Oregon and SW Washington with a link to an online Oregon/SW Washington qualifying tournament registration site.)*

**Challenge Q&A Available**

Remember to check the Challenge Q&A often for clarifications, updates, and official rulings. You can also "subscribe" to the page in order to receive an email notification each time the Q&A page is updated. Go to <http://www.firstlegoleague.org/default.aspx?pid=29620> to subscribe. All tournament referees will be using the up-to-date Q&A. So be sure to check it often.
